RT @Komos72: Shall we start by sharing what kinds of things people are using for their Pensieves? #Daily5

01-Oct-11 00:04 | soingirl

I've had success with a digital pensieve. Using MS onenote instead of evernote.
#Daily5

RT @lisasshoes: To practise reading aloud students have created own books on iPads and share with class.
<-so want to do this #Daily5

01-Oct-11 00:06 | qldteacher

@wilson_lisa Wlsh I could check out one note but don't have it available anywhere :(#daily5

01-Oct-11 00:06 | Komos72

I had so wanted to start with a digital pensieve but ended up doing a notebook. I have a co-teacher using a notebook too - #daily5

01-Oct-11 00:06 | ncarroll24

using a google form. working well, but i'm not the most effective conference leader #daily5

01-Oct-11 00:06 | KarynTeaches

I have a combo pensieve at the moment, conferences on paper in a binder and other stuff in Evernote on the iPad...work in progress #Daily5

01-Oct-11 00:06 | soingirl

Now the aide and I have to compare notes #daily5

01-Oct-11 00:06 | ncarroll24

@wilson_lisa #Daily5 So did you switch from Evernote to Onenote?

01-Oct-11 00:06 | brettelocker

@qldteacher is this so you have a digital pensieve?
#daily5

01-Oct-11 00:06 | Mrs_P_teaches

Really pleased with my digital pensieve for iP*d so far. <http://t.co/uSRkiu3K> #daily5

01-Oct-11 00:06 | jmsalsich

i'm concerned that my notes are dependent on the internet, an app would be more reliable #daily5

01-Oct-11 00:07 | KarynTeaches

“@qldteacher: I'm using Evernote and Goodreader on my ip@ad thanks to MissB6_2 #daily5” I love having everythin in the one spot and NO paper

01-Oct-11 00:08 | MissB6_2

@MissB6_2 @wilson_lisa That's what I really like about Evernote too, and that I can take pics and audio right in EN on the iPad #Daily5

01-Oct-11 00:08 | soingirl

@soingirl Part of the reason I like it is because it's like having a pensieve and CAFE book in one app, and it syncs #Daily5

01-Oct-11 00:08 | jmsalsich

Multitasking - #daily5 chat & cooking a quiche (it's dinner time here in Alberta)

01-Oct-11 00:08 | Mrs_P_teaches

@kriceSD57 it's worked really well for me so far! #daily5

01-Oct-11 00:08 | KarynTeaches

@KarynTeaches I can't be dependant on internet as sch connection so unreliable #daily5

01-Oct-11 00:08 | qldteacher

@Komos72 @wilson_lisa one note is part of MS office package. Have to have windows computer. Use dropbox to sync. #Daily5

01-Oct-11 00:08 | wilson_lisa

@Komos72 How is your Evernote Pensieve working out? #daily5

01-Oct-11 00:08 | ncarroll24

I use a paper notebook, set up as Sisters recommend. Reluctant to use iPad as want to dedicate these to student use in #Daily5 time

01-Oct-11 00:09 | brettelockyer

@wilson_lisa I just ordered styluses really cheap on eBay for that reason #Daily5

01-Oct-11 00:09 | soingirl

@soingirl @MissB6_2 @wilson_lisa Yes, I just took photos of all my old confer notes & added them to Ss notebook #daily5

01-Oct-11 00:09 | qldteacher

@brettelockyer @wilson_lisa played with evernote. Ran out of space very quickly. Like the way u have tabs in 1note #Daily5

01-Oct-11 00:09 | wilson_lisa

@wilson_lisa @brettelockyer I also like the clipper and audio features in Evernote #daily5

01-Oct-11 00:10 | qldteacher

@brettelockyer That was one of my struggles too, but with 4 rounds each day I am finding one seems to be free for me to conf with #Daily5

01-Oct-11 00:10 | soingirl

@soingirl @wilson_lisa snap, I have some on the way:) #daily5

01-Oct-11 00:10 | qldteacher

@Komos72 Can you share your evernotes with someone? and have them edit as well? or is that not an option?#daily5

01-Oct-11 00:12 | ncarroll24

"@wilson_lisa played with evernote. Ran out of space." Other #Daily5 Evernote people find this?

01-Oct-11 00:12 | brettelockyer

@Komos72 @ncarroll24 I was just going to use my google calendar to make appointments. Any other suggestions? #daily5

01-Oct-11 00:12 | qldteacher

@Komos72 @ncarroll24 I'm using google cal. Have set up on IWB computer so kids can book themselves time slots. Syncs with my laptop #Daily5

01-Oct-11 00:12 | wilson_lisa

@ncarroll24 I would rather go slow and have the students truly independent #Daily5

01-Oct-11 00:13 | soingirl

@ncarroll24 @Komos72 You can share Evernote notebooks #daily5

01-Oct-11 00:13 | qldteacher

@ncarroll24 I'm going slow with you Carroll! Better to set it up right than to rush it. IMO #daily5

01-Oct-11 00:13 | kriceSD57

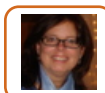

@brettelockyer @wilson_lisa I haven't yet, but only just started, I might pay #daily5

01-Oct-11 00:13 | qldteacher

@Komos72 my struggle is calendar part as well #Daily5

01-Oct-11 00:14 | maxxakahotdog

@qldteacher Thank you - I think I should be doing that instead since there are 2 of us conferencing. #daily5

01-Oct-11 00:14 | ncarroll24

@ncarroll24 @Komos72 I know that I can share the notes, not sure about the editing part #Daily5

01-Oct-11 00:14 | soingirl

Agree on the go slow esp 1 st year. Very strong learning curve for all #Daily5

01-Oct-11 00:14 | wilson_lisa

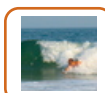

@ncarroll24 I'm only new to #daily5, I'm taking it very slow because it is so new. I am focused on modelling. I think it will pay off

01-Oct-11 00:14 | Jacqueline2312

01-Oct-11 00:14 | jmsalsich

@ncarroll24 #Daily5 setting up for the first 2 or 3 seems slow, then kids really get it, so speeds up. 1 day spent setting up LTR and WW

01-Oct-11 00:15 | brettelockyer

@Komos72 @brettelockyer I'm am using Evernote to collect and annotate work samples and learning in other subjects too #Daily5

01-Oct-11 00:16 | soingirl

I am so excited for these digital pensives! But now I want an iPad. For the classroom. I don't think my macbook is mobile enuf. #daily5

01-Oct-11 00:16 | Mrs_P_teaches

@MissB6_2 @Komos72 I use a large desktop calendar that ALL can see - keeps me honest and kids can check! #daily5

i'm asking a conferencing ?. i haven't launched CAFE, so i listen to them read & think "now what"... what should i do? #daily5

01-Oct-11 00:27 | KarynTeaches

@Mrs_P_teaches Exactly! Except it's also not "fair" when I meet w/one child 3 times before I realized I skipped one completely! Oops #daily5

01-Oct-11 00:27 | Komos72

@KarynTeaches @qldteacher I've only just switched to give them more independence, need to factor that in #daily5

@KarynTeaches Many of my conf's are also around good fit books. Everything is dependent on that. #daily5

01-Oct-11 00:37 | wilson_lisa

@soingirl We're up to about 9 strategies also. Kids love them but still get confused between all the new language: cafe, i pick, etc #Daily5

01-Oct-11 00:37 | jmsalsich

Slightly off topic... in my conferences, I'm noticing many of my kids really over-rely on "sounding it out." Any tips? #daily5

@maxxakahotdog can you elaborate on how you're balancing groups & conferences? #daily5

@Komos72 I have the same issues with sounding out. Trying hard to get them to use other strategies. #daily5

01-Oct-11 00:40 | Jacqueline2312

01-Oct-11 00:40 | jmsalsich

@Komos72 which cafe menu are you using? #Daily5

01-Oct-11 00:40 | wilson_lisa
